EDITORIAL

It's with great pleasure that the Board of the South Australian Soccer Federation welcomes the arrival of this new look South Australian 1980 Soccer Year Book. Indeed it can truly be called a book of South Australian soccer, as for the first time it covers the game in almost every corner of our State, as well as providing excellent cover of every grade, every Association and all Affiliated Bodies. In it you will find not only the statistics of the 1979 season, but also club histories and matters of interest that are relevant to the game's future and will be required reading for all soccer followers.

The soccer scene is changing dramatically and it is most important that all those connected and concerned with the game adapt themselves. to these changes. Soccer continues to grow at the National level and it must also grow on the local level.

You don't need to be a big nation to do well internationally and you don't have to be a large State to hold your own or even excel at the Interstate level.

It needs application, dedication and enthusiasm and one must continually strive for perfection; champions are not born, they achieve their results through the above attributes.

We are entering a new era, a new decade -- the 1980s. The 70s saw the birth and establishment of the Philips National League in Australia. It is up to us to strive to ensure that the game on a local level enjoys a similar success. The Board is sure that the Year Book will help in this regard. It will show everyone why soccer must grow, why the youngsters of today should become the force of tomorrow. The future will be measured by the successful development of our younger players. The achievements of the Philips League cannot be maintained unless the game at the State level grows and develops to the point where the differences in playing strength and administrative standards are minimised.

The 1980 Soccer Year Book has arrived at the most appropriate moment; at the start of the year in which Australian soccer celebrates its 100th Anniversary. Let us congratulate Pierre Vicary and Vic Migliaccio on a job well done.

Wally Tkachuk
Chairman of the Board,
South Australian Soccer Federation

ROBERT BOEHNKE (goalkeeper). Born Germany 1953. Signed from Enfield Victoria early in 1979. Became regular first team goalie with 15 league appearances.

ERIK METANOMSKI (goalkeeper). Born SA, 1957. Joined the club from Polonia in 1978 and has had to contend with a number of injuries during his spell with the club. He will be pressing Boehnke in the hope of regaining the number one spot.

ADRIAN MICHLEON (defender). Born SA, 1958. A local product better known to his team-mates as Ossie. A well built, talented player who has represented SA at junior level.

NICK MOSCHIS (defender). Born SA, 1956. A very fast and rugged player who was produced through the club's junior policy.

MAURICE CORTI (defender). Born SA, 1958. Another local product who promises to have a fine career ahead of him. Gained a regular spot.

VIC SMYTHE (striker). Born Northern Ireland, 1953. One of the most talented players in the side who might be likened to his fellow countryman George Best. A brilliant individualist capable of scoring many goals.

RON WHITE (striker). Born England, 1947. Former Juventus star in the pre-PSL days. Fills in when required these days and is also coaching at junior level within the club. Has represented SA four times.

PETER KOWALSKI (striker). Born SA, 1954. The club's most recent and expensive signing from USC Lion. Powerfully built and fast, has represented SA.

PAOLO IANNACE (striker). Born SA, 1961. Signed as a junior from Enfield Victoria. Has represented SA at numerous junior levels and was a member of the Australian High Schools' side which toured North America in 1978.

Played first Senior State game against Vardar Skopje in December.

JOE SERAFINI (striker); Born Australia, 1944. Another former Juventus star. A prolific goalscorer who has been hampered by injury this season. Has represented SA eight times.

ROSS RUSSO (striker). Born Australia, 1954. Yet another former Juventus player who has failed to live up to his early promise. Signed from Beograd and has represented SA three times.

AGOSTINO SIMEONE (defender). Born Italy, 1967. Another former State junior representative and is a local product.

JOE BAGGIO (full back). Former Juventus and State player. Has recently decided to make comeback and signed with Azzurri. His experience and skill will be invaluable to Azzurri.

FRANK MICHELON (defender). Born SA, 1961. Younger brother of Ossie, has captained several State junior sides and has a promising future.

ROBERT BARONE (defender). Born SA, 1959. Signed from Juventus and has represented SA at various junior levels.

DINO PELLIZZARI (right winger). Product of Azzurri Juniors. Has represented State at Under 16 level.

PHIL PEACOCK (midfield). Another Azzurri Junior. Has played in State Under 15 side.

WALLY BOJCZUK (striker). Began his career with Albion Robers in Scotland. Transferred to USC Lion and when P.S.L. began transferred to Mooroolbark in Melbourne. When they were relegated, returned to USC Lion and helped them win the championship and the Coca Cola Cup playing in all 18 league games and scoring 5 goals. ENFIELD VICTORIA PLAYER PROFILES

JOHN FYFFE, the first Team Captain, was born in Clackmannon, Scotland, and came to Enfield-Victoria after playing in New Zealand for Gisborne City. John is married and is employed by the Highways Department as a Laboratory Technician.

He weighs in at 13st. 7lbs. and stands 6' 2" tall. He states that his favourite players are George Best and Marty Elliott, and his favourite teams, Glasgow Rangers and Manchester United. He appeared twice in the New Zealand Cup Final, but unfortunately was on the losing side on both occasions.

MICHAEL GILL is a scouser, hailing from Liverpool and his previous clubs were Bangor City, Skelmersdale and Everton. As yet he has not been snared into the marriage stakes and he is an assembler by occupation.

Although not a big player — he stands 5' 8" and weighs 11st. 2lbs, his playing talent is obvious. He states that Howard Kendall is his favourite player and Everton and Enfield Victoria his favourite teams. His father and his own enthusiasm have been the biggest influences on his career and he has a personal ambition to be a member of the Victoria side when it wins the League, and also one day to play at Wembley. Holds A.S.F. Preliminary Coaching Badge.

TOM SCHONFELDT was born in Berlin on the 21st October, 1956. He stands 5' 11" and weighs in at 10½ stone. He is married and is employed by a Bank.

His only previous Club was Windsor Athletic and his favourite other teams are Arsenal and West Bromwich. His favourite players are Franz Beckenbauer and George Best. His most memorable game was his first for Victoria and his biggest diappointment losing in the State Junior Final.

KEVIN BOYLE was born in Essex, England on 22nd October, 1958. He stands 5' 10" tall and weighs 62 kilos. He is a single person and works as a Maintenance Fitter.

His only previous Club was Elizabeth City and his favourite other Club is Manchester United. With tongue in cheek he says his favourite player is himself and his most memorable match beating Adelaide City in the 1979 Night Series, a game in which he scored a goal. His biggest disappointment was losing the league in 1977.

The biggest influence on his career has been Enfield Victoria and his professional ambition is to play top grade soccer.

GARRY HIGGINS was born in Belfast, Northern Ireland on 16th December, 1959. Garry stands 6' tall and weighs 12 stone. He works as an Insurance Clerk and as yet remains single.

CHRISTOPHER PETER KEY was born in Birmingham, England on 17th July, 1958. He stands 5' 11" and weighs 10½ stone. His only previous club was Para Hills; his favourite other club Aston Villa and his favourite player Trevor Francis.

Chris as yet remains single and he is self employed, running a mini-bus service.

Played his first game for the State side in December against Vardar Skopje and had a fine match.

NORM GREEN, our club Goalkeeper was born in Middlesex, England on 22nd October, 1952. He stands 5'10" tall and weighs in at 12 stone. Norm is married and works as a Teacher.

His only other Club is Birkalla and rates Arsenal as his favourite team and Arsenal's Goalkeeper, Pat Jennings as his favourite player. He rates the match against Adelaide City in the night series as his most memorable. He states his biggest disappointment is not playing in a Premiership side (as yet).

Norm is something of a fisherman and says his biggest thrill was catching an 18lb. Mullaway at Waitpinga.

BRIAN MICHAEL GALE was born in Falmouth, England on 12th December, 1962. Brian stands 6' tall and weighs 12 stone. Brian is not married and works as a sales assistant at Wendts.

His only other club was Salisbury East and his favourite other club is Manchester United. Being a goalkeeper you would expect his favourite player also to be a goalkeeper and that is just so, Peter Shilton the great Nottingham Forest and England keeper. Brian's most memorable match was his first State game against Western Australia in 1978 and his biggest thrill being selected for the State Under 18's squad this year.

IAN McKIE was born in Motherwell, Scotland on 22nd April, 1962. He stands 5' 8" and weights in at 10 stone. Ian is also single and works as a Sheetmetal Worker. Ian's previous club was Salisbury United. He has represented the State at Under15's, 16's, and 18's and won his first full cap in the State team against Vardar Skopje in December.

LES MATISCSAK our club's 1st team coach, was born in Hungary on the 23rd August, 1938. He stands 5'11' and weighs 13 stone. Les is married and says his occupation is "Chauffeur to the Public".

As a player Les played for Budapest and Victoria, which he states is his favourite team. His favourite player was Puskas. His most memborable matches were, as a player scoring all six goals against Croatia, and as a coach, his first match as coach against Para Hills which Victoria won 1-0 this year.

His biggest disappointment was whilst playing for Victoria against Hellas and after leading 3-1, losing 4-3 in the last 15 minutes.

PARA HILLS PLAYER PROFILES

FRANK LISTER. Former P.S.L. player with Adelaide City his experience and all round playing skills were a great asset to the Hills defence in 1979.

PETER GARDINER Club captain and one of the teams longest serving players, Peter is equally at home in attack or defence.

GARRY WILLIAMS Product of Para Hills juniors some 12 years ago, Garry is a talented ball player with a fine shot. Played in seven league matches in 1979.

TIM BROWN Seventeen year old Jim missed few chances to show his undoubted skills in 1979. Joined Para Hills from rivals Enfield Victoria. Has a great future.

JOHN FIELD This lively winger forced his way into First Team calculations with a string of goals in the reserves. Made his senior debut against Cumberland at home and stayed in the Senior team for the remaining eight league games scoring twice.

KEITH LEVETT Has not yet made first team debut but should force his way in soon. A strong well built defender, Keith has what it takes to make the grade.

ROBERT FIELD Robert, 21, began his career with Para Hills Juniors in the early 1970's, scoring 140 goals in three seasons. He then moved to Alice Springs and played with the local Club Verdi. During the off season he transferred back to his old club and if he can recapture the goalscoring touch of his Junior days will add considerable fire power to the Hills attack.

SCOTT PRIDEAUX South Australian born goalkeeper, Scott had come through the youth ranks at Para Hills to become the regular first team keeper.

DAVE DUNCAN Former Budapest, West Adelaide Hellas and Campbelltown City player, Dave's experience and enthusiasm has been a great asset to the club over the last two years. A strong defender who can switch positions if required.

MIKE WEEKS Played alongside Dave Duncan in the 1968 State Under 16 team, Mike has proved a valuable player since transferring from E.D. Azzurri in 1978.

HARRY BELL Left footed striker in his third year at the Paddock. Finished top goalscorer for Para Hills last year with nine goals. A former Clydeback player in Scotland before coming to Australia.

STUART GANNON Teenage striker with the talent and ambition to succeed at the highest level. Has worked his way into the Senior team through the local junior sides.

EDDIE TONER Injury prevented Eddie from making a big contribution to the Hills in 1979 but when fit, he can destroy opponents with his "tigerish" tackles and non stop running.

GLEN DURRANT Although goals didn't come his way last year, "Big Glen" fought hard all season and proved a thorn in the side of most defences.

STEVE AMOS Product of Para Hills juniors who enjoyed success at P.S.L. level with West Adelaide Hellas and Brisbane Lions, Steve has fitted well into the Hills midfield since his return to the club mid way through 1979. His skills and experience will be a great asset in 1980.

GEOFF TOMLINSON Born in Manchester, Geoff is a steady workmanlike player with a good understanding of the game. A series of niggling injuries prevented Geoff from making the number of first team appearances he deserved.

FRANK SCHAPHER Senior Team coach. Former West Australian Director of Coaching Frank has coached various First Division and youth sides.

FIELD MARKER SUCCESS!

An Australian invention has hit the coaching aids market, and looks like making its mark all over the world.

Which is appropriate, as the invention is a field marker.

Made of plastic, it is replacing the cumbersome, expensive and hard to obtain cone markers, which are designed for marking road works.

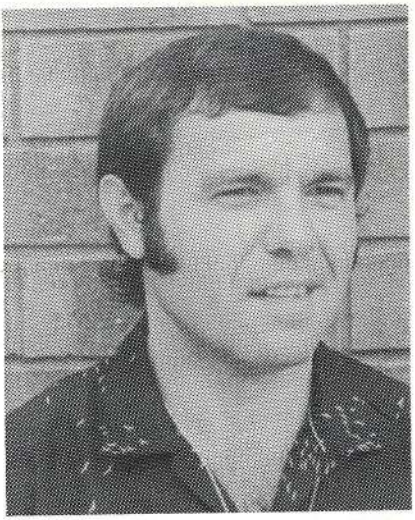
Man behind the new marker, which is like a ball cut in half, is coach Joe Mikulcic, a toolmaker by trade which helped him when it came to setting up the marker die.

"I got fed up trying to find cones, and lugging them all over the place," said Mikulcic who is turning out his markers in red, white and yellow made of a plastic-type material which is virtually unbreakable, light and can easily be stored.

"Several coaches are already using them, and with a patent pending I'm hoping to break into the world market."

As a player Mukulcic was with Croatia in Melbourne and Adelaide.

He then went to West Germany to gain a coaching certificate. He returned to Adelaide, playing with Adelaide City's State League team and then took over the team as Coach. They won the 3rd Division Championship in 1978 and finished fourth in 2nd Division in 1979.



The new markers are already being used by State coaching director Mike Wells and several clubs.

Mikulcic is not selling to the retail trade, and is operating through the SA Soccer Federation office at Hindmarsh Stadium to keep the cost as low as possible.

WHERE ARE THEY NOW?

Presenting two of South Australia's best players of the past . . . Eric Norman and Udo Joschke

Norman, a former UK professional, hit the Adelaide scene in the late 60's playing for Juventus (now Adelaide City). He played six seasons for the Club, winning the West End Medal in 1969. Was selected in the Australian National Team in 1972 and played 19 times for the State Team. He was one of the best mid fielder/strikers ever to play in Adelaide. Eric finished his career playing 2 seasons for Campbelltown. Since his retirement 5 years ago, he has been coaching schoolboys for the Modbury Club.

1966 was Joschke's best year; he was the talk of the town at the age of 16, playing for the West Adelaide Hellas (now West Adelaide) first team. He topped the goal scoring race and represented the State. Following the 1967 Ampol Cup series Joschke travelled to West Germany to study for a teaching degree. He returned to Adelaide in 1974 to play for his old Club, Hellas. Transferred to E.D. Azzurri the following season and retired from top soccer in 1977. He now plays for Graduates in the Metropolitan Second Division.

U.S.C. LION PLAYER PROFILES

STEVE CAGGIANO (Captain). Age 24. Steve Caggiano is the team captain, having filled this role for the second consecutive year. As a former Long Eaton United player in the U.K., Steve was enticed to join U.S.C. Lion. He has been with the Club for five years playing as a midfield striker. He had a most successful season in 1978, having bagged eleven goals and won the club's best and fairest trophy. He polled well in the Rothmans Medal count with 17 votes.

JOHN BOOTH, 23. John was secured from Noarlunga United and has been with U.S.C. Lion for over two years. He was originally tried as a midfielder, but has succeeded as a fullback where he has played consistently safe throughout the season.

STEVE BRADLEY, 25. Steve has been playing with U.S.C. Lion for two seasons. Originally from the U.K. where he played with Margate in the Southern Premier League Steve was cleared by Croatia. He has played in several positions, but has shown a liking for, with a fair amount of success, as a striker in the latter part of the season.

HARRY BROWN, 25. Harry transferred from Noarlunga United and has played all of his soccer with Lion as a defender. Harry has the ability to nullify the effectiveness of skilled ball players.

RAY DEELEY, 24. Ray is an attacking midfielder and possesses a thundering kick of the ball. He transferred from Para Hills late in the season, and has blended in well since making the side. He has proved to be a successful midfield player.

BOBBY EDWARDS, 20. Bobby has played with Lion for the past two seasons as a defender type midfield player. He transferred from Elizabeth City and although not a regular this season, he has shown a lot of potential as a cool and skilful player. State Under 18 representative.

WALLY FEDCZYSZYN, 33. Wally is the team veteran and has played a record number of games with the Club. He was the regular senior goalkeeper since gaining promotion from the junior ranks. Wally has made eleven state appearances during his career.

PETER HERD, 24. Peter was originally secured from Noarlunga United, and has been associated with Lion for four years. He was an automatic choice as a defender when he broke into the senior team. He is best remembered as a 'mean' and fearless player with his hard tackling.

Peter was voted the best team man in both 1977 and 1978 season.

PETER NYSKOHUS, 26. Peter has been associated with Lion since making the grade direct from the junior ranks. He is best known for his fast sprints down the field and on his day can be a match winner. Peter has been out of the side for a large portion of this season through injury.

STEVE HOWLETT, 20. Steve originally joined Lion from Don United, and has been with the Club for two seasons. He had a particularly successful season in 1978, but unfortunately suffered a series of injuries this year. Although Steve can be used as a utility player, he is a useful fullback.

JOHN HUDOBA, 17. John is a product from junior division. He became a regular senior player in the latter part of the season and has shown a fair measure of responsibility since winning a spot in the first eleven. Although used as a utility player John prefers the role of an attacking midfield player. We expect big things from John in the future.

TOM MIDDLETON, 28. A product of the Livingstone Juniors in the U.K. Tommy has captured the admiration of club supporters with his dazzling skills and fast play.

During his four year period with Lion he has emerged as a favourite with soccer fans and is regarded as the team "architect".

DOMINIC RINALDO, 24. Dominic has been playing with Lion for the past five years. He transferred from Enfield Victoria and has played second fiddle in the goalkeeping department. Dominic was a member of the successful 1977 Bailetti Cup team. He re-established himself as a permanent goalkeeper in the latter part of the season.

JIM STOCCO, 20. Jimmy transferred to U.S.C. Lion from Para Hills late in the season and has since played on the wing. He is a most enthusiastic player and is always willing to give his best. Although lacking somewhat in height Jimmy makes up in heart and courage.

JIM TENNANT, 27. Jim has filled the role of vice captain over the last couple of seasons. He has been playing for Lion for the past five years and was originally recruited from Elizabeth City. He has played consistently in the senior side as a stopper and has filled this position admirably. Both on and off the field Jim is a very dedicated club man.

IVAN POBRAN, 17. Ivan has just recently been added to the senior squad direct from the junior division where he played the majority of his soccer as a striker. He is a skilful ball player and frequently produces an enormous kick. We expect big things from this young player in the future.

LARRY CRAKER, is senior coach at U.S.C. Lion, having taken over the position in 1978 and succeeding Bugsy Nyskohus, who joined Adelaide City in the Philips National League.

Larry who previously coached Madison Park prior to joining U.S.C. Lion holds the Australian Federation Senior Coaching Certificate. He played in the Sussex County League in the U.K.

ROTHMANS MEDAL

MEDAL TO BEOGRAD STALWART

Beograd-Woodville's Wally Bojczuk, pictured opposite with last years winner Bobby Tuffs, last night won the Rothmans Medal as the best and fairest soccer player in the first division.

Bojczuk polled 20 points to take the solid gold $1000 medal from Enfield-Victoria captain John Fyfe by one point.

Bojczuk was presented with the medal at a gala banquet at the Joe Oberdan Convention Centre.

Elizabeth City defender Alan Strain was third with 18 points.

Bojczuk's success caps a great season for Beograd which won the Rothmans League first division title for the first time this year.

Bojczuk's relentless foraging was an inspirational factor for Beograd this year.

He joined USC Lion when he migrated from Scotland in 1975.

He transferred to Victorian Philips League club Mooroolbark in 1977 and played 20 PSL games, mainly as a defender.

He polled 13 points in last year's medal count for Beograd, but was ineligible because of suspension.

Bobby Tuffs, who won the medal in 1978 when he was an Enfield-Victoria player, collected 10 points in this year's count.

State squad member Zoran Maricic headed Campbelltowns City's voting with 15 points, but was ineligible because of suspension.

Leaders — 20 W. Bojczuk (Beograd), 19 J. Fyfe (Enfield-Victoria), 18 A. Strain (Elizabeth City), 17 B. Kotlar (Croatia), S. Caggiano (USC Lion), 15 P. Herd (USC Lion), C. Harward (Beograd), 14 H. Bell (Para Hills), R. Henderson (Elizabeth City), 11 R. Middleton (USC Lion), R. White (Azzurri), B. Welsh (Cumberland), 10 R. Tuffs (Cumberland), V. Smythe (Azzurri), P. Iannace (Azzurri), M. Gill (Victoria), P. Stanczak (Polonia).

Beograd Dominates

Beograd 1, Cumberland 0

Beograd emphasised its dominance of the Rothmans League with a tough 1-0 Coca-Cola Cup final victory over Cumberland at Hindmarsh Stadium — its second major success in four weeks.

Beograd, the newly-crowned league champions, led after a sixty-first minute headed goal by Glen Wickstein but had to survive a tormenting 15 minute period at the end when Cumberland poured all its energies into an equaliser.

Referee Jimmy Johnston, who did not give a particularly good exhibition, blew his final whistle seconds after Beograd had repelled Cumberland's third goal attempt in succession.

Equaliser

Certainly Cumberland was worth an equaliser, considering that Wickstein's goal resulted after Johnston failed to stop play, after Beograd's Jim Campbell fouled Daryl Evans as he tore past him on the right wing.

With Evans expecting a free kick, Campbell sent in a cross which Barry Leane headed out for a corner kick.

From the corner, Wickstein flew powerfully to crash a precise header past Cumberland 'keeper Martin Charman.

Cumberland did all the early running and gave Beograd a scare in the fifth minute when George Flecknor needed two grabs to hold a sizzling 20 metre shot from Steve McNally.

Wickstein sent Beograd fans into ecstacy in the fifteenth minute with a powerful close-range shot but Johnston cut short the cheers when he correctly disallowed the "goal" after Milan Opacic fouled goal-keeper Charman.

Cumberland had ample scoring opportunities in the second half but its poor finishing let it down.

However there was nothing wrong with Stevie Parks' forty-ninth minute left wing shot which had Flecknor scrambling to the far post to keep it out with a deft left-hand diversion.

Beograd's Colin Evans missed an easy scoring chance in the fifty-eighth minute when he misdirected his header but just three minutes later Wickstein made no mistake from virtually the same position.

The goal had an immediate effect on Cumberland and within minutes Parks struck a left footer wide of the far post.

Cumberland saved its best until a minute from the end when Brian Welsh pushed the ball past Flecknor but watched the fall trickle virtually along the goal line before it was cleared.

And seconds later McNally smashed the ball against the post.

Port Adelaide players and officials celebrate their 2-0 Cup Final win over Azzurri. Pictured from left to right: G. Booth, J. Konstandopolous, A. Toland, D. Patruno, N. Yeing (Captain-Coach), P. Miles, R. Uranjek, S. Sparreboom (Assistant Coach), L. Cauchi (Trainer).

Port Adelaide 2, Azzurri 0

Second Division champion Port Adelaide yesterday completed a champagne double when it crushed First Division glamour side Azzurri 2-0 in the Federation Cup final at Hindmarsh Stadium.

Sixteen-year-Old State junior, Andy Toland, teamed up well with Patruno to give the uncertain Azzurri defence plenty to think about.

Toland fired only just wide of the upright in the first half after a fine build-up which spreadeagled Azzurri.

And minutes later, Jim Mitchell, pre-season signing from Victoria forced 'keeper Eric Metanomski to produce a great reflex save with a brilliant header.

Azzurri managed only a handful of goal-likely opportunities in the first half but the forward line which earned the tag of "Goal Machine" during its mid-season barrage was well and truly out of gear.

State squad member Vic Smythe, a lethal striker on his day, was a mere shadow of himself and squandered Azzurri's best scoring chance in the first half by driving the ball straight at goalkeeper Johnny Konstantopoulos.

Ron White ran himself ragged in the first half but even he couldn't produce the inspiration when it was needed most.

As Port pushed forward it left its rear-guard open to the quick break. And Azzurri looked like taking advantage on several occasions.

But big Geoff Booth was in the right place at the wrong time for Azzurri.

For Booth it was his third consecutive Cup Final — and thrid time lucky. In 1977 and '78 he was in Campbelltown's losing final team.

But his performance against Port earned him my man-of-the-match award.

Port grew in stature as the game progressed.

And in the fifty-fifth minute player-coach Neville Yeing drove a cross into the centre for Patruno to slam home.

It was the beginning of the end for Azzurri.

The memorable win — Port's first Cup Final victory for 34 years — wrapped up the most successful season in the club's history.

But for Azzurri, hot favorite to carry off League-Cup honors itself only a few weeks ago, it was double disappointment.

But the Blues failed to produce the kind of form which took it to the top of the First Division table.

And the defeat left the club void of a championship honor against its name — after two had looked so certain.

But all credit to Port. It took the fight to the Blues from the opening spell — and never once went on the defensive.

Striker Dick Patruno was the two-goal Hero of Port's magnificent win.

He was in the thick of the action most of the afternoon — and was a constant source of problems for Azzurri with his forward thrusts.

Port looked full of flair from the start.

Sixteen-year-old State junior, Andy Toland, teamed up well with Patruno to give the uncertain Azzurri defence plenty to think about.

Late Goal Saves Day

South Australia 1, Wisla Krakow 1
Hindmarsh Stadium 13 February 1979

A last second goal from substitute David Leane gave SA a deserved draw against Polish champion Wisla Krakow at Hindmarsh Stadium last night.

Wisla took the lead in the first minute through Leszek Lipka.

The early setback was disastrous for SA, which then began to match its vaunted opponent.

During the 88 minutes between the goals Wisla provided the crowd of 7000 with a curious mixture of swift, aggressive forward thrusts and slow, annoying possession soccer.

Lipka stunned the crowd with his early effort when he cut effortlessly into the centre before gliding a ground shot past Martyn Crook in the SA goal.

SA went close to scoring at the six minute mark when Vic Bozanic sent a free kick just over the Wisla crossbar.

Crook made a great save when he raced off his goalline to block an attempt from Michael Wrobel as the winger tore into the penalty area.

SA threatened again as Dixie Deans found Agenor Muniz whose ground shot was saved by Marek Motyka, the Wisla right back. Motyka lunged out his right leg to save the shot with his goalkeeper Stanislaw Ganet beaten.

Big Barry Renolds then dispatched a header narrowly over the goal as SA continued attacking.

Ian McGregor and John Nyskohus combined neatly, but Nyskohus sent his header over the crossbar.

Wisla bounced back and almost increased its lead through Henryk Maculewicz.

The World Cup full back pounded a powerful free kick goalwards which deflected off Neil McGachey, but Crook saved well.

A magnificent move by SA deserved a goal when John Nyskohus weaved towards the penalty box to find Muniz with a perfect diagonal pass.

Muniz drove powerfully, but Ganet saved with an outstretched leg.

Tight defensive marking from both sides restricted the attacks to long range shots in the early stages of the second half.

In the fifth minute Reynolds engineered his opening for SA as he crossed from the right to McGregor, but the winger's header was astray.

The sight of three Wisla substitutes warming up near the touch-line stirred their collegues as key marksman Kmiecik shot strongly but Crook dived to save.

Both teams made substitutions midway through the half with Kaz Gazda and Jan Jalocha replacing Wrobel and Adam Nawalka for Wisla, while SA coach Edmund Kreft surprisingly took off midfield dynamo Boyle to introduce striker Leane.

With eight minutes to go the crowd hooted and slow hand clapped Wisla as it tried to freeze.

Leane notched the equaliser for SA following a corner from Muniz.

Kolecki pushed the ball back to Muniz, who lobbed it to Reynolds and the full back relayed it to Leane, who nodded the ball past Ganet.

Goals: SA: Leane (90), Wisla: Lipka (1)

Teams: South Australia: Crook, Reynolds, Nyskohus B., Boyle, McGachey, Bozanic, Kolecki, Deans, Muniz, Nyskohus J., McGregor; Sub: Leane D.

Wisla: Ganet, Budka, Maculewicz, Plaszewski, Motyka, Lipka, Wrobel, Kapka, Nawalka, Kmiecik, Krupinski; Subs: Jalocha, Gazda.

Preparation Pays Off

South Australia 0, Victoria 2
Hindmarsh Stadium 16 April 1979

Victoria struck a blow for State League soccer by defeating an SA Phillips League select side 2-0 at Hindmarsh Stadium yesterday.

SA began aggressively with telling crosses from Barry Reynolds and Johnny Nyskohus to give Kosmina two heading chances in the first three minutes, but both attempts sailed wide of the goal. Peter Boyle and Johnny Nyskohus underlined SA's early dominance with further attacking raids before Victoria earned its first direct shot at goal after 14 minutes.

The chance came from a great swerving free kick by mid-fielder John Gardiner, but SA goalkeeper Martyn Crook made a brilliant one-handed save.

The resultant corner brought Victoria's first goal a minute later as little Cumming used the swirling wind to curl the ball past the bewildered SA defence direct from his left-wing flag kick.

The success lifted Victoria which prompted by captain Jim Tansey and ex-Socceroo vice-captain Jim Rooney, attacked solidly through Jamie Paton and Gary Cole.

SA regained control near half-time and almost notched an equaliser as Johnny Nyskohus squeezed a flying header narrowly wide of the goal after a clever build-up from Honeyman and Kosmina.

Victoria clinched the game 11 minutes after the restart when John Yzendoorn chipped a pass to Tront who raced into the penalty box to slide an angled ground shot past Crook.

Former SA and Adelaide Croatia goalkeeper Jaka Banovic protected Victoria's lead mid-way through the half when he brilliantly tipped a first-time screamer from Bozanic over his crossbar.

Victoria fielded seven State League and four PSL players while SA had nine West Adelaide and two Adelaide City players in its starting line-up.

Tommy Cumming (Essendon) and Joe Tront (Croydon City) emphasised the quality of the Melbourne State League by scoring for Victoria.

With City's Brian Northcote and Johnny Nyskohus to support West's seven representatives in the starting formation, SA was expected to perform like a club team. However it was disjointed compared to Victoria, which has been training together since January.

SA coach Edmund Kreft was frustrated by his team's inability to capitalise on its scoring opportunities.

"The score would have been 4-2 our way if Kosmina, John Nyskohus, Honeyman and Northcote had put away their chances when they only had the goalkeeper to beat," Kreft said.

National team coach Rudi Gutendorf said that he was impressed by Victoria's determination.

"Victoria played extremely well and proved to me that its State League men are of the same calibre as many of the PSL players," Gutendorf said.

"Yzendoorn is a very good sweeper and Cumming and Kokoska are accomplished players who I will consider for the national squad."

Kreft was forced to rearrange his side when John Perin (knee) and Jimbo Muir (thigh) yesterday joined Dixie Deans (hamstring) and Agenor Muniz (ankle) on the SA injury list.

Kreft compensated by adding Con Kambas West) and Henry Kolecki (Polonia) to his squad.

Goals: Victoria: Cumming (15), Trent (56).

Teams: South Australia: Crook, Bozanic, Reynolds, McGachey, Jones, Northcote, Kambas, Boyle, Kosmina, J. Nyskohus, Honeyman; Sub: B. Nyskohus.

Victoria: Banovic, Short, Tansey, Yzendoorn, Kokoska, Gardiner, Tront, Rooney, Cole, Paton, Cumming.

Four Goal Hiding

South Australia 0, Norwich City 4
Hindmarsh Stadium 16 May, 1979

Norwich City bought an English "Big Match" atmosphere to Hindmarsh Stadium when it demoralised SA 4-0 last night.

City was encouraged by a large ex-patriot cheer squad which varied the usual soccer chants with "come on Norwich come on."

SA's hard timers battled gamely but were not able to match the professional approach of the visitor.

One major facet in which Norwich excelled was its heading prowess in the penalty box — an ability which brought three of its four goals.

Norwich made its intentions clear from the fifth minute when its young central striker, Justin Fashanu flashed a perfect header past Martyn Crook from a cross by Keith Robson.

Peter Boyle raised SA's hopes when he stormed into the penalty box to send a hard cross into the goal mouth, but there were no supporting strikers.

SA was unlucky in the 12th minute when Barry Reynolds suffered a broken nose and was replaced by John Perin.

SA almost scored in the 15th minute as Dixie Deans crossed to Johnny Nyskohus but his spectacular diving header was saved by City keeper Roger Hansbury.

This near miss engendered an adventurous streak in SA's play as it unleashed a series of raids on the Norwich goal.

City lost its composure as SA won the ball more consistently.

SA opened the second half in sprightly fashion as Bugsy Nyskohus pumped a high ball into the penalty box where Agenor Muniz drove over the cross-bar.

Graham Paddon made it 2-0 for City nine minutes after the re-start when he ghosted into the box to flick a header past Crook after Ian Davies had floated the ball across the area.

SA enjoyed a let-off mid-way through the half when Bugsy Nyskohus sliced an attempted clearance into Fashanu's path, but the big striker ballooned the ball over the cross-bar.

Full-back Kevin Bond was next to miss after another benevolent miskick from SA fell to his feet.

A smart inter-change by Johnny Nyskohus and Brian Northcote ended as the latter smashed his drive into the netting. Norwich increased its lead in the 77th minute as under-19 international Kevin Reeves rose majestically to head a corner into the net.

Mid-fielder, Brian Northcote, took the $100 prize as SA's man of the match.

Goals: Norwich: Fashanu (5), Paddon (54), Reeves (77), Robson (87).

Teams: South Australia: Crook, Reynolds, B. Nyskohus, Muir, Jones, Boyle, Muniz, Deans, Kosmina, J. Nyskohus, Northcote, Sub: Perin.

Norwich: Hansbury, Bond, Davies, Nightingale, Headley, Powell, Robson, Reeves, Fashanu, Paddon, Peters.

Soccer Magic

South Australia 0, Partizan Belgrade 3
Hindmarsh Stadium 27th June 1979

Partizan Belgrade brought a touch of European soccer magic to Hindmarsh Stadium last night when it defeated SA 3-0.

Partizan coasted to a 2-0 lead after 16 minutes with goals from Milan Djordjevvic and Milan Pakvkovic.

The collective and individual ball skills of the 1978 Yugoslav champions proved too great an obstacle for SA.

But to its credit the local side refused to be overawed and fought gamely until the final whistle.

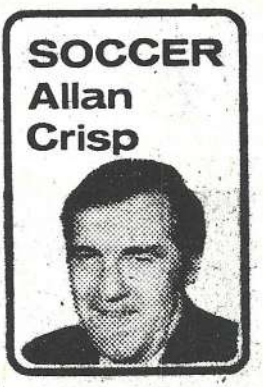
Late additions to the SA team, Glenn Dods, John Besir and Chris Kent, joined Peter Boyle as the most effective home players.

The tight marking Partizan defence gave SA's strikers John Kosmina, John Nyskohus and Kent little room to move, but SA created its scoring chances from mid-field build-ups.

National team coach Rudi Gutendorf said after the game: "Australian teams have no answer to the professional style of soccer played by top European teams like Partizan. I don't blame SA for its defeat because its players are simply not in the same league."

Partizan opened its account in the sixth minute when its skipper, Nenad Stojkovic broke from defence to find Slobodan Santrac.

The central striker flicked a neat pass to Djordjevic, who beat Martyn Crook with a superb drive.



Santrac then curled a powerful 20 metre drive around the defence, but Crook saved well.

Pavkovic made it 2-0 for Partizan in the 16th minute when he capitalised on a misunderstanding between Crook and David Jones to slam the ball into the empty net.

SA should have scored at the 29-minute mark when Dods found Boyle with a right wing cross, but Partizan goal keeper, Rade Zalad, recovered brilliantly to halt the attack.

SA began the second half with a flurry of attacks through Boyle, Dods and Brian Northcote but Zalad averted the first threat with a timely interception.

A long left-wing pass from Kosmina to Bugsy Nyskohus was sent to Northcote, whose ground shot was saved by Zalad.

Northcote engineered another chance when Boyle and Kosmina combined to relay the ball to him but Zalad smothered the attempt.

With 10 minutes left to play SA coach Edmund Kreft substituted Cumberland striker David Leane for Kolecki.

Partizan saved its best goal for last. With four minutes remaining, Prekazi capped a classic move with a searing shot which left Crook stranded.

Goals: Partizan: Djordjevic (6), Pavkovic (16), Prekasi (86).

A.E.K. Win Few Friends

South Australia 0, A.E.K. Athens 1
Hindmarsh Stadium 15th August 1979

Greek champion AEK Athens opened its tour account with an unconvincing 1-0 win over SA at Hindmarsh Stadium last night.

AEK won the game but enlisted few friends with its negative display of foul-ridden soccer.

AEK was reduced to 10 men in the 15th minute of the fiery game when referee John Tarling showed the red card to Lambos Intzoglou when the mid-fielder punched SA's Agenor Muniz.

SA controlled play for most of the match, before and after AEK had its player expelled.

Fans who jeered the sub-standard performance of the visitor had to endure a lengthy half-time break when AEK refused to take the field unless the referee was replaced for the second half.

The match resumed after local federation officials conferred with the AEK officials.

SA earned 13 corners to one from AEK to emphasise its superiority, but brilliant goal-keeper Nikos Christidis defied the eager SA strikers.

AEK notched the match-winning goal in the 20th minute when Christos and Ardiziglou speared a superb 20m drive past SA goal-keeper Peter Marshall.

The game proved that even a champion team cannot take SA cheaply without four of its leading players.

SA started sensationally when it forced a corner after only 40 seconds from the kick-off to earn scoring chances from Graham Norris, David Jones, and Muniz.

AEK's mid-field general Mimis Domazos gave a defence splitting pass to Stellos Kalaitidis but the striker's long shot was stopped by Marshall.

Over-lapping fullback Bugsy Nyskohus flashed into prominence for SA when he found Peter Boyle who cleverly lobbed the ball over Nick Pantelis to stream forward, but his shot was wide.

The expulsion of Intzoglou revived memories of SA's 1-1 draw with Bratislava when Andreas Petras was sent off.

The incident appeared to upset SA more than AEK.

Goal: AEK: Ardiziglou (20)

Feast of Goals

South Australia 3 Vardar Skopje 4
Hindmarsh Stadium Saturday 8th December 1979

SA was beaten 4-3 by crack Yugoslav soccer team Vardar Skopje in an exciting, entertaining match at Hindmarsh Stadium on Saturday.

SA fans who stayed away from the stadium missed one of the best matches of the season.

It was a brilliant exhibition of soccer by both teams, but credit must go to the hastily arranged SA team which held its tough opponents to the odd goal.

State coach Edmund Kreft said after the game: "To create a new team in only two weeks which played so well gives me a lot of pleasure."

The SA team unearthed three new stars in Tim Brown (Para Hills), Chris Key (Enfield Victoria) and Zoran Maricic (Campbelltown City), any of whom would not be disgraced in the Philips League.

Vardar is a good team which now has two wins in two matches of its eight-match tour and is almost certain to go through its tour undefeated.

Picking its best players was not easy when every player went about his business in a truly professional way.

The first goal, after a bright opening, came in the seventh minute when dynamic Vardar winger Vasil Ringov split the defence with a dream pass which left Risto Grigolouski the formality of slamming the ball past Martyn Crook.

One minute later SA's Henry Kolecki had goalkeeper Dragan Simeunovic scrambling to avert the equaliser after a power-packed drive. It finally came in the 23rd minute from newcomer Chris Key, who crossed from the left wing to David Leane.

Leane headed the ball down to a racing John Nyskohus, who left the Vardar goalkeeper no chance with his blinding shot high into the net.

SA took the lead four minutes later after a corner from Nyskohus was headed skilfully by Kolecki.

It was not until nearly half time that Vardar scored its next goal.

That came after a long pass down the ground found Ringov, who blasted the ball into the net.

Vardar, which obviously is packed with talent, made two changes at half time, bringing on Miroslav Droganic and Dimitri Pavolovic for Koco Dimitrovski, whose style is reminiscent of the great Bechenbauer, and Sandre Maneuski.

Droganic in particular proved a thorn in the SA defence and his pass deep into the box led to the next Vardar goal, but it took three players to have shots before Miceuski finally passed Crook.

While all the goals by both sides were good, the ace came in the 80th minute when Miceuski unleashed a thunderbolt from a volley which no goalkeeper could have stopped.

Seconds later Ljupco Rascevski nearly broke the post with another volley, but the rebound was cleared.

Then trailing 4-2, SA opened up and replacement Harry Bell belted the ball into goal past Dragan Mutibaric as referee Donald Campbell reached for his whistle.

GOALS:
SOUTH AUSTRALIA: J. Nyskohus (23), Kolecki (27), Bell (89).
VARDAR: Miceuski (65 & 80), Gligorovski (7), Ringov (39).

Centrals are this year's soccer league champions.

They finally shook off a strong challenge by Works to get the two points they needed by defeating Kooly 9-1 on Saturday.

Kooly had to draw with or beat Centrals to give Works a chance but despite some strong play were unable to stop the Centrals machine.

Works were stymied, having to watch Centrals in the first game, and with the result known, then had a good game against Village.

The Blues played well in this match, combining and fighting hard against the Tigers, but despite this they couldn't stop Works winning by 7-1.

This is Centrals' fourth league title in a row and this performance is really due, I think, to their having more depth of experienced players than the other sides over the last four years.

Works have a young, talented team this year but despite their skills they were lacking just that little bit of experience and could only beat Centrals in one out of four times that the two sides met, although the games were hard and close.

Village and Kooly found themselves facing Works and Centrals without the two to three extra experienced players each side needed.

The determination and spirit is there in both sides but with so many new players, despite their playing to the best of their ability, both teams needed maybe another season's play to gain the experience necessary to beat Centrals or Works.

In the matches played on Saturday Centrals met Kooly in the first game.

Centrals had a strong team playing but Kooly started with a lot of dash and determination and forced Centrals' defence into some hurried work.

Griffiths, Shepherd and Jones were prominent in the Kooly attack.

But goals had to come, and it was Centrals who put them in.

Part was in good form in their attack while Jim Barnes was testing the Kooly defence.

Kooly scored a good goal with a snapshot from Griffiths but Centrals by the end of the match had scored nine to make the final score 9-1.

Scorers — Centrals: Part 6, Joy 2, Barnes 1. **Kooly:** Griffiths 1.

In the second match the Village side played with unaccustomed skill in going down 7-1 to Works.

The Works defence was often troubled by the Village forwards, especially Barry and Zehender, and Village at one stage looked as though they might surprise Works.

But Works have too many good players to lie down for long, and they eventually came back to score seven goals with Village scoring a lone goal to make the final score 7-1 to Works.

Scorers — Works: Schafferius 2, Foster 2, Wilson 1, Sheridan 1, Toms 1, **Village:** Harnath.

K.O. CUP
Works 2 Centrals 1

Works took out the Soccer Cup competition last Saturday in a close, exciting and controversial game against arch-rivals Centrals.

The two teams have been neck and neck all year with Centrals pipping Works at the post for the league, but this time it was the Tigers who triumphed, although the game was not without its ups and downs.

There was a large crowd present to see the match, the last game of a good finals' day for all the soccer fraternity.

The teams were evenly balanced with both sides missing a key player, Sheridan for Works and Joy for Centrals, both recently departed for Adelaide.

The weather was good; a warm sunny day which had the players sweating on the field, together with referee Shepherd who controlled the game well, although some decisions were controversial to whichever side they went against.

That is the run of the game however, and this one was a close hard game that had the spectators jumping on the touchlines as play ran back and forward between the goals.

The first goal was scored after five minutes when Part broke away for Centrals and put the ball past Underwood to put Centrals 1-0 up.

Works were under pressure for a while but came back with some good attempts, several of which were very close.

A goal from Thomas for Works followed after about 25 minutes, after a disputed offside decision, but the goal was allowed.

From this point on until half time Works were on top, and playing with the slight breeze, pressured the Centrals goal, with Wilson and Roads going close to scoring on several occasions.

During this period Centrals had several breakaways but not the luck to put the ball in the net.

At half time the score was 1-1.

It was a hard second half with some vigorous tackles and no quarter given by either side.

It was Works who made the first score with a confused goal.

Toms picked up a mis-hit shot from another Works player and his shot just crept in at the far post past Scholfield in the Centrals' goal.

The score was then 2-1 to Works, and the question was, could Centrals come back?

For the rest of the half it was all Centrals as they attacked the Works' defence.

Many were the long clearances off the field by the Works' defence and the game was touch and go.

Centrals put the ball in the net through Part but the goal was disallowed.

Tempers flared on several occasions with two players (one from each side) being sent off after one incident, and the spectators were getting vocally involved.

It was to no avail for Centrals, however, and Works it was, who finally took out the Cup with a good 2-1 win.

Celtic 3 County 0

In the first half both teams played hard and fast, displaying great skills and team work, but neither team could score and the score at half time was nil-all.

In the second half Celtic lifted their game to a very high level and the combination of Folsom and Perkins produced a goal which, was credited to Perkins.

Mattox was injured and moved into defence and Lucarotti came up into attack to team up with Folsom.

Ian Harvey did a terrfic job as fullback for County and stopped Celtic's many attempts to score.

Folsom scored well and at this point the score was two goals to Celtic.

Lucarotti was able to score yet another goal for Celtic and they took the match at three-nil and also the "Knock-out" Cup for their league.

The match between Hammers and Gunners was the very best game of the season for Colts, with both sides fighting well to score.

The battle raged fast and furious with both sides trying to score, but at half time the score was nil-all.

The second half was also a battle of wits until the last five minutes when P. Barry managed to score a beautiful breakaway goal for Hammers which enabled them to claim the "Knock-out" Cup for 1979.

Best players for Hammers were Barry, Barnes, Carnahan, Kenney.

Best for Gunners were Robinson, Toms, Henley and O'Connor.

K.O. CUP
Jaguars 3* Panthers 1 (on penalties)

This match was terrific from the first kick-off with both teams out to win and battling hard to achieve this end.

Play was excellent with numerous shots by both teams to score, but to no avail as both defence lines and the goalies in particular did an excellent job and the score at half time was nil-all.

The play in the second half was similar, with both teams having corners which still didn't result in a score.

The tension started to build more and more but still no score and the full time score was nill-all, which meant time on.

There was still no score after extra time and for the second time in three seasons the girls had to take penalty kicks to win and Jaguars finally took the match out three goals to one.

Both goalies did an excellent job and deserve a special mention.

LEAGUE CHAMPIONSHIP

Soccer in the North was played for a number of years until in 1949 it got into full swing with the introduction of the "Port Pirie Soccer Association". This association expanded over the years and at one point comprised teams from such centres as Port Augusta, Peterbrough, Orroroo, Iron Knob, Whyalla and Port Pirie. It continued until 1962 when with the introduction of a separate association in Whyalla known as the "Whyalla Soccer Association" its name was then changed to the "Mid-North Soccer Association".

Both these associations continued in various forms until 1969 and for three years 1966 to 1968 even combined to form another association comprising two divisions and known as the "Spencer Gulf Soccer Association". As a result of this venture these associations joined to form the "Northern Areas Soccer Association" (N.A.S.A.) as it is know today.

ALL CORRESPONDENCE TO P.O. BOX 436, PORT LINCOLN 5606

Because of its geographic isolation, the Port Lincoln Soccer Association is not affiliated with any other Soccer body. The Association is an incorporated body, with its own constitution and is charged with the control and promotion of Soccer in Port Lincoln and the surrounding area. The playing field is leased from the council and the Association has had to provide changing rooms and public toilets itself. This is a difficult problem on an annual budget of $5000, made up of gate receipts, affiliations and registration fees.

Four clubs form the Association at present and it is hoped to include the nearby centres of Cummins and Tumby Bay in the future. Each team has 3 grades, Seniors, Reserves, and Juniors and all games are played on Sundays. It is hoped to start a sub junior competition this year to cater for the ever increasing number of interested and promising future players who enthusiastically attend the Saturday afternoon Soccer schools organised and run by Joe Perone of Shields United. Players come from Australian, ethnic and aboriginal backgrounds and a number are involved both in Soccer and Aussie Rules football. Due to the great number of players in olved in the fishing industry, seasonal and weather conditions influence their availability on some weekends. Number of registered players for 1979 – 258. Teams visiting Port Lincoln from other centres include: Whyalla, Woomera, and Adelaide. Local teams have visited Whyalla, Woomera and Murray Bridge to play friendly matches.

HISTORY

Junior Soccer began on the Island in 1977, and at the end of the year the Elizabeth City Under 16 team played in Kingscote.By 1978, the situation had developed with both Senior and Junior teams and two clubs Kingscote and Cygnet River. At the end of the season games were played against Amateur League team Kilkenny Ramblers. The Seniors lost 2-4 and the juniors 1-2, a creditable showing for such a young association.

In 1979 a 5 a side indoor soccer tournament was begun on Thursday nights.

STATE UNDER 19 AMPOL CUP

Within Australia, this stands as the first State-wide competition for soccer supremacy. The competition dates back to 1965. It was then that Ampol first saw the need to foster sport at the grass roots level, following its immense success in promoting the senior Ampol Cup. Just as that competition flourished and flowed on to other states, similar cups have been set up in the Eastern States amongst their Technical and High Schools.

Recently Ampol have seen fit to donate medals to winners, losing finalists and referees. As the present trophy is nearing the end of its life it is hoped by Ampol that one of our competing teams will be successful for a third time, to be presented the trophy as a permanent record of success. This then, would give Ampol the honour of renewing their support of youth soccer in the form of a new trophy. At present there are four schools — Whyalla Stuart, Elizabeth West, Seacombe & Adelaide who could earn this honour.

The past year saw further major progress being made in the education and development of local coaches.

Over 345 candidates took part in the coaching programmes offered throughout the year with 80 gaining various levels of accreditation.

Two complimentary schemes are currently offered in this State to cater for all areas and levels of the game.

The Australian Soccer Federation's National Coaching Scheme which is sponsored by Rothmans National Sport Foundation centres around the practical aspects of coaching and comprises three stages as follows:

1. BASIC and TEACHERS CERTIFICATE COURSES.

Courses in this category run from 12 hours for junior coaches up to 20 hours for trainee teachers and deal with the organisation of young players in enjoyable and purposeful practice.

A certificate of attendance is awarded to all who complete the course but as there are no examinations in a practical sense the courses carry no formal accreditation.

During the past year 190 coaches, players, students, teachers and persons in coaching for the first time took part in the numerous courses staged.

It was pleasing to see increasing participation by students studying to become primary, secondary or physical education teachers from Flinders University, Adelaide, Sturt and Torrens C.A.E.'s. Also from an increasing number of ladies interested in coaching.

2. PRELIMINARY AWARD COURSES.

This first level of accreditation comprises some 36 — 42 hours of practical work. On top of this candidates are also examined in aspects such as The Laws of the Game and the Theory of Coaching.

Four courses were staged in Adelaide and of the seventy eight candidates taking part, thirty five were successful in reaching the necessary standard to qualify them for the A.S.F. badge.

A larger number of active players from the Philips and Rothmans Leagues took part this year and I anticipate that quite a few will make a valuable contribution to coaching in the years ahead.

In 1980 it is hoped to stage a course for country area candidates and several enquiries have been received from Whyalla, Mount Gambier and even as far afield as Darwin.

3. SENIOR AWARD COURSES.

This is the highest level of accreditation available for soccer coaches in Australia. In this State they are run over nine days on a full time basis and the last course was staged at Scotch College. Of the seventeen candidates who took the course, twelve reached the required level to be awarded the Senior Coaching badge of the A.S.F. Several interstate candidates journeyed to Adelaide to take part in the course.

Also attending Scotch College at the same time were a number of leading local junior players who received eights days of intensive coaching. Obviously the experience gained stood them in very good stead during the season. From those attending Tim Brown went on to gain full State honours against Vardar; Ian McKie was reserve for the same match whilst Romano Rossi represented Australia at Under-16 level in Singapore. Brian Gale, Stuart Gannon, Frank Timar, Tony Radford, Jimmy Hughes, Chris Manou and Paul Stoneham all played in their clubs first teams during the season.

STATE ACCREDITATION SCHEME

The South Australian Government through its Recreation and Sport Division also administers a Coaches Accreditation Scheme with two levels being conducted and called The Basic Coaches Award and The Advanced Coaches Award.

This accreditation scheme is open to all sports and deals chiefly with the General Principles of Coaching. Aspects covered include The Role of the Coach, The Activity, Skill Learning, Physiology, Ethics and Psychology of Coaching, Diet, Nutrition plus the Treatment and Prevention of Injuries. On top of these components each individual sport adds its own sport specific attachment.

During the year these courses became an integral part of a National Coaching Scheme recognised and funded by both State and Federal Governments.

This Scheme will ultimately consist of four levels and is similar to the successful Canadian Coaches Accreditation Scheme. Once fully operational it is likely to put Australia on a par with many leading overseas nations.

As a member of the State Government's Coaching Committee I am very proud of the fact that this State currently leads the field in this area of accreditation and is most fortunate at having a core of very highly qualified and experienced lecturers to conduct sessions. The success of the Scheme has been achieved through their expertise allied to that of Officers and staff of the Division of Recreation and Sport.

In all, fifty three candidates took part in the first two levels during the year and thirty three were successful in gaining accreditation.

S.A. Director of Coaching, Mike Wells discusses some points with a group of coaches and Australian International Players at Prince Alfred College. Group comprises Andy Bettell, S.A. Secondary High Schools Coach), Martyn Crook (West Adelaide), Agenor Muniz and Bobby Russell (both Adelaide City), Victor Bozanic (West Adelaide), Cliff Votier (Independent Schools and Prince Alfred Coach) and John Kosmina (West Adelaide).

IMBALANCE

Whilst coaches accreditation has forged ahead over the past couple of years other areas have been left behind in the wake, thus creating a temporary imbalance. This trend is not confined to soccer but has arisen in almost every sport.

The State Government quickly realising the problem proposes to introduce in the coming year an Administrators Accreditation Scheme, and I hope that soccer will become one of the leading sports in this Scheme just as it has done in the field of coaching.

A clear indication of the imbalance which has occurred in our sport relates to the poor response some clubs have received to their advertising for coaches for the coming season.

Despite the increasing number of better trained and qualified coaches produced it is a fact that at the moment a large number of these coaches are preferring to coach at junior or Amateur League level where they are being offered better conditions, facilities and recognition for their talents. Some are also staying out of the game until they see a decided improvement in the game.

This is truly a sad indictment of the image a few clubs have created for themselves in recent years and it is to be hoped that this is only a temporary phase.

Whith accreditation courses being offered for every facet of the game from administration, coaching, refereeing to the treatment of injuries there can be little excuse in the longer term for the game not to progress in unison.

Obviously those who do not avail themselves of the opportunities available from 1980 onwards will be failing, not only in their duty to their clubs, members, staffs, players etc. but more importantly to the progress of the game as a whole.

SOUND BASE

On the more positive side and particularly in playing terms our State junior sides from primary school level up to the Under-18's, as a group, had one of their best seasons ever in 1979. The Senior state side began and finished on high notes, despite obvious lapses in between.

At P.S.L. level Adelaide City kept S.A. to the fore by winning the Philips Cup and both they and West Adelaide finished in the top half of the table.

The coming season will see these two sides being coached by two of the top coaches in the P.S.L. – Gerry Chaldi and Rale Rasic.

Clearly this State has a solid base to work from and there is little doubt that, in many ways, we have more going for us than most other States. Our topography, climate, facilities, natural talent and expertise is almost second to none.

If we can only add dedication and sense of purpose through all stratas and divisions of the game to the other attributes then we can only progress further.

Success will only come through hard work, not by virtue or divine right.

It would be nice to think that everyone connected with the game will approach the next decade with this in mind and the slogan 'Only the best will do'.

The third national presentation night was held at the Hotel Oberoi in Adelaide on Thursday 1st November. Some 120 players, officials and journalists attended the function the cost of which was covered by Philips Industries Holdings Ltd.

SOUTH AUSTRALIAN SOCCER TRAINERS ASSOCIATION

Secretary: Bill Murray, 31 Essex Street, Woodville Gardens 5012
Telephone (H) 45 1694.

This Association was formed on 14th October, 1967, after a meeting was called of all parties interested in the treatment and rehabilitation of Sports Injuries.

It was realised that differing standards were available to Clubs in the "Bucket and Sponge" brigade varying from Professional Qualifications to experience. Under the guidance of Dr D. Hardy, who has performed remarkably as tutor and mentor, a series of courses were arranged, modelled on the Football Association Standards, and implemented. These courses, preliminary, intermediate and advanced, have been successfully carried out by a great number of candidates over the years, to their own desired levels.

This has proved beneficial to all branches of sport as some of the "disciples" spread the word through action and lectures with subsequent recognition, treatment and earlier rehabilitation of Sporting Injuries.

Over the years the Association has had cordial relations with numerous individuals and organisations who have helped us in our efforts to contain costs within the reach of the average man's capabilities. These have been appreciated and all are thanked on behalf of our seventy seven (77) current members. Special mention must be given to Drs. Hardy, Gorgio and Zaikos, Howard Wells, St. John Ambulance Association and the Royal Lifesaving Society for their aid in raising a fledgling Association to a healthy adult.

SOUTH AUSTRALIAN SOCCER COACHES ASSOCIATION

Chairman: **John Evans, 16 St. Marys Street, St. Marys 5042. Telephone 276 2074.**
Secretary: **David Hemingway, 4 Winona Avenue, Clarence Gardens 5039, Telephone 297 3942.**
Treasurer: **Joe Harvey, 12 Beta Crescent Panorama 5041. Telephone 276 9413.**

Our constitution uses such terms as: Sponsor, foster, promote, develop, maintain and excel in relation to the standards of coaching at all levels of soccer in South Australia.

There are other terms too, couched in similar vein, all with the intention of promoting coaching as a science and for the overall benefit of soccer.

This does not mean that the S.A. Soccer Coaches Association has any pretensions in relation to coaching courses or to the standards relating to those courses — these are the sole prerogative of the Director of Coaching, Mike Wells.

One of our aims is to have those members who have attended courses, take that knowledge back to clubs and schools and improve the overall standard of coaching both of the players and hopefully of fellow coaches.

Clubs too, need to be educated in the proper application of coaching methods practised by their coaches. Too often coaches and clubs embark on extensive physical training programmes and because a degree of success is obtained feel that the results justify the means. The answer may be simply that the players are better equipped than those players in other teams.

There is an overriding basic need for our members both accredited and without accreditation to meet regularly and by means of lectures, films, group discussions, coaching demonstrations etc. upgrade their own coaching knowledge and possibly, more importantly, how to apply that knowledge.

There is also a need to maintain the interest of the members at a purely social level. The idea being to keep group and professional interest at peak level.

REFEREES CORNER

By TONY RICHARDSON, National President A.S.R.F.

Four years ago saw the inception of the Philips Soccer League; the start of a National Competition of the highest level of Club soccer yet seen in Australia. Many problems have arisen in the administration of the League to date in framing rules and regulations, deciding on criteria for promotion and relegation and numerous other items we read of from time to time in the papers.

I am proud to say that regardless of the criticism leveled at individual referees from time to time the A.S.R.F. was ready for such a competition years ahead of any Club. You see we have been truly National since 1968 when all State Referees Organisations amalgamated to form the AUSTRALIAN SOCCER REFEREES FEDERATION'

The A.S.R.F. National Executive comprises of myself from S.A. as President, a Secretary from Victoria, a Vice President from A.C.T. and a Registrar and National Coach (who is recognised by F.I.F.A.) from N.S.W.

The National Coach is responsible for ensuring uniformity of interpretation of the Laws of the Game by all referees throughout Australia and has also lectured in New Zealand, Fiji and South East Asia. Look at any Referees badge be it in a Metropolitan League game, a P.S.L. game or one played in Whyalla, Cairns or Perth. They are all the same.

Our problems then are not in administration at National or even at State level but in the recruitment of young men into refereeing. The road to the top is a long and hard one, the financial returns are ridiculously low, especially in the lower leagues and very few Soccer Federations take an active role in encouraging people to take up refereeing.

On the brighter side, for those who reach the top the World is at their feet. We have had a referee officiate in the World Cup Finals in Germany and I am confident we will have representation in the future. We have the 1981 Coca Cola Youth Cup Finals in Australia and are sure of representation in that Competition. Soccer is continuing to grow in Australia and the need for Referees will grow too. Start your refereeing career early in life and it could be you running out to control World Cup games in 1990 and 1994;

Why not try it, you may enjoy the experience.....

ST. GEORGE 2(1)

This was a memorable Philips Cup final cast in the mould of the classics.

Too often, cup finals, because of the intense pressure they produce, fail to live up to expectations; this magnificent match provided a welcome exception.

The ingredients were there for all to savor — skill, courage and determination, capped by five classy goals.

Adelaide City are the crowned kings of SA soccer following their superb second half revival which earned them and their manager-coach, Rale Rasic, their first major Philips League honor.

The Sydney Saints held an iron-clad grip on the Cup when they led 2-0 after 48 minutes, but City stormed back to score three goals in an inspired 22-minute burst.

The Nyskohus brothers, Johnny and Bugsy, were the heroes of the great comeback, but the praise must be shared among all of the 13 players who contributed to City's finest hour and a half.

Praise, too, should be accorded to the gallant losers who battled manfully until the final whistle.

Rasic engineered the revival four minutes after St. George notched their second goal.

He replaced Chris Kent with Sergio Melta and two minutes after the substitution City scored their first goal.

Rasic gambled further five minutes later by substituting Jimbo Muir for John Besir and playing without a sweeper.

Within six minutes of that bold move City equalised and were back in the game.

The Saints were without Brendan Grosse (broken nose) and Rudi Gnavi (suspended), while the pre-match drama was heightened for City when skipper John Perin (thigh) joined Dixie Deans (suspended) on the unavailable list.

City midfielder Brian Northcote took his place in the starting line-up, aided by pain-killing injections before the kick-off and at half time, for a groin injury.

The home side ripped into frantic action from the start, as though their lives depended upon an early breakthrough.

The Saints were more composed with Doug Utjesenovic, Rudi Della Picca, George Harris and Robert O'Shea, defending constructively.

City turned on the pressure in the 12th minute as acting captain Johnny Nyskohus had a shot deflected over the crossbar by goalkeeper Mike Fraser and Gary Marocchi struck the bar as he attempted to lob Fraser.

Another drive by Johnny Nyskohus was tipped over the top by Fraser before City Goalkeeper Peter Marshall cut out a great freekick from Utjesenovic.

Socceroo squad man, Phil O'Connor then headed wide of the goal from an accurate cross by Roy Cotton.

St. George grabbed the lead in the 21st minute when O'Connor applied the final headed touch after Della Picca rose majestically to nod Peter Katholos's corner kick goalwards

The midfield continued to buzz with constructive activity as Northcote and teenager Katholos battled for supremacy.

Then, City, desperate to level before the interval, saw Della Picca clear for St. George after a Marocchi piledriver hit Fraser.

Young Charlie Villani laid on a perfect pass for Kent eight minutes before the break, but the former South Melborne winger blazed the ball over the goal from the penalty spot.

The half ended as Marocchi flashed a rising drive narrowly over the crossbar from an Agenor Muniz corner.

St. George increased their advantage three minutes into the second half with a brilliant goal by John O'Shea, who chested a right wing cross from Cotton before blasting an unstoppable volley past Marshall.

City's answering goal four minutes later was equally superb and emphatic as Johnny Nyskohus dived spectacularly to head a left flank cross by Glenn Dods into the net.

The arrival of big Jimbo Muir to the central striker spot gave City height in the box as he deftly flicked telling headers to his colleagues.

Bugsy Nyskohus then scored his second cup goal of the year when he executed a classic one-two with brother Johnny to spear the equaliser past Fraser.

The Kensington grandstand reverberated 14 minutes from full-time when Johnny Nyskohus shoved home the winner after Northcote wrong-footed Fraser with an unselfish pass to the diminutive striker.

ADELAIDE CITY PLAYER PORTRAITS

PETER MARSHALL (23). Goalkeeper. Local product yet to utilise full potential. A perceptive player, he has been between the posts since the start of the 1978 season.

RICK MIGLIACCIO (20) Goalkeeper. An exciting prospect who played well when given his chance against West Adelaide in the league.

GLENN DODS (21) Fullback. An aggressive and fleet-footed Kiwi international who joined City at the start of last season. Relishes open spaces on the overlap.

BOBBY RUSSELL (23) Fullback. A no-nonsense player who possesses professional discipline and loads of ability. Born in Scotland, he played for the Glasgow Boys Club before joining Portsmouth and playing in N.Z. Came to City at the start of last season from South Sydney Croatia. Has just returned from seven match Socceroo Tour of China and Taiwan.

JOHN BESIR (27) Sweeper. An elegant player and a capable commander in defence. Skilfully reads the situation, a talent comforting to know in anxious moments.

JIM MUIR (29) Stopper. Joined City from Dumbarton last year and has already proved reliable and effective at the back. Uses his height intelligently and has much pace for a player his size.

DAVID JONES (23) Central Defender. Began career with Tricolore Perth in Western Australia. Joined West Adelaide in 1977. Signed two year contract for City during 1979 off season for transfer fee of $5000. Has played for Australia.

JOHN PERIN (32) Midfield/sweeper. Is all class. His subtle ball skills, penetrating passes and powerful left-foot shots have destroyed many defences. It's little wonder he's always a tightly marked man on the field.

BUGSY NYSKOHUS (28) Defender. Has a positive attitude to the game and never a defeatist. He's as solid as a brick wall and fears nobody.

SERGIO MELTA After being a near regular member of the side in 1977, Sergio slipped away in 1978 and in the first half of 1979. But when he was recalled to the side for the last few games of the season added considerable bite to City's Midfield.

BRIAN NORTHCOTE (23) Midfield/striker. Bustles through defences like a tornado for 90 minutes. The destructive type of player you're glad is on your side.

ROMANO ROSSI Striker and **CHRIS MANOU** Midfield. Both signed three year contracts with Adelaide City in off-season. (See feature Page 161).

TONY BRENNAN This young striker burst on to the PSL stage in 1979 with a series of fine performances. Is being sought by City but at the time of going to press negotiations still in progress.

AGENOR MUNIZ (28) Midfield. Another of City's skilful and elegant players and a former international. One of the best ball-players in the PSL who has the ability to carve defences with swift and accurate movements from the middle.

GARRY MAROCCHI (24) Midfield. Elegant and skilful in the classic mould. This former Socceroo skipper knows the art of penetrating midfield play.

JOHN 'DIXIE' DEANS (34) Striker. Playing in peak form and as dangerous as dynamite when allowed to roam loose. Despite his height, has remarkable reach with his head, making him as damaging in the air as he is on the ground.

JOHN NYSKOHUS (26) Winger. Another Socceroo who tirelessly runs rampant through defences. Has the stamina of a stud bull and is a player you can count on for a full 90 minutes. Has just returned from Seven match Socceroo tour of China and Taiwan.

CHRIS KENT (23) Winger. The pint-sized striker may be known as the "baby" of the team inside the rooms, but his quicksilver acceleration and timely crosses have earned him respect on the field. Joined City last season from South Melbourne.

ADELAIDE CITY VETERAN'S COMMITTEE

Chairman: Max Huffa Tel. (W) 352 4111 (H) 264 5850

Brief History:
In May last year, Rale Rasic and Charlie Caruso discussed the possibility of arranging an evening for former Juventus players, committee members and supporters. A meeting was held and a committee elected. It was decided that the first function would be a "Juventus Veterans' Evening" and this was held on July 7th 1979. About 400 people attended. During the evening it was suggested that a Veterans match should be played and this was arranged for Sunday 16th September as a curtain-raiser to the Adelaide City/West Adelaide Phillips League match. Since so many former players wanted to take part it was decided to make it a game for former Juventus players only.
The two teams who played:

Adelaide City 0 New York Cosmos 2
Olympic Sports Field, Sunday October 28, 1979

The skills, techniques and magical qualities of Franz Beckenbauer, Johan Neeskens, Dennis Tueart and Carlos Alberto steered the New York Cosmos to a 2-0 win over Adelaide City at the Olympic Sports Field yesterday.

The men from Brazil, England, West Germany, Holland Italy, Portugal, Yugoslavia, Turkey and even a few from the US gave the 25,000 crowd a taste of US-style fun football.

City seemed overawed by the reputation of its much vaunted opponent in the first half, but lifted in the second term in response to manager-coach Rale Rasic's instruction to "go at them."

Cosmos, with Neeskens and Tueart recovered from the injuries which kept them out of the match against Australia on Wednesday, was close to full strength for its final match of the tour.

Tueart put Cosmos in the lead in the 17th minute when he accepted a defence-splitting pass from Beckenbauer to slam a ground shot under the diving body of City goalkeeper Peter Marshall.

Italian international Giorgio Chinaglia made it 2-0 for Cosmos 18 minutes from full time when he threw off Bobby Russell and slammed a rebound home after Marshall had stopped his first attempt.

UNERRING

But City had no player to equal mid-field general Beckenbauer, who emerged as the supreme craftsman as he directed long and short passes to every corner of the field with unerring accuracy.

Cosmos technical director Professor Julio Mazzei said he would recommend Russell for trials with his club "if he is interested."

"We said before the tour that if any players impressed us we would offer them trials with us." Mazzei said.

Cosmos was into its stride yesterday in the third minute when Neeskens had a clever header saved by Marshall.

Trueart's goal confirmed City's apprehension and its confidence was dented further in the 21st minute when Chinaglia ballooned a simple chance over the crossbar from close range.

Chinaglia's 72 minute goal clinched the issue, but Agenor Muniz, Sergio Melta and Dods had scoring opportunities before the final whistle.

GERRY CHALDI
AN ASSESSMENT

With Gerry Chaldi joining West Adelaide, the two Adelaide-based PSL clubs now have Australia's most eminent coaching pair.

Of course, Chaldi and Adelaide City supremo Rale Rasic are not the closest of friends; their rivalry for recognition and honours has been extremely intense, at times even bitter.

It will be interesting to see how the quiet, highly introverted Chaldi makes out with West Adelaide.

During his three years with Hakoah (now Sydney City) he was the PSL's most successful coach.* He managed to build not only a winning team but also one which, as a rare exception, had its own style: a seemingly casual push-and-run type of soccer.

As a player, Chaldi — represented Israel in 41 internationals — was anything but a delicate ball-player: he was among Sydney's most rugged, combative wing halves. Now as a coach, his credo calls for thoughtful, attractive soccer with patient build-up and swift finishing.

It may surprise many Adelaide fans that despite his Jewish background, Chaldi had to battle almost non-stop with his critics within the Hakoah club.

One of the charges often levelled against him was that he was "too soft" with the players and "tactically naive".

The team's results must give both claims the lie. It was only in one respect that Sydney City could be criticised: in the past three years far too many of their players had to serve suspension because of expulsion or an accumulated tally of penalty points.

The French-born and Israeli-raised Chaldi is one of the best losers among our coaches.

Not for him are the antics of some of his colleagues after a match lost: he will seldom accuse a referee or linesmen for defeat.

Instead, in his typically quiet voice, he will earnestly explain what his own players did wrong, where the tactics went astray.

He is certain to succeed with West Adelaide — if given a fair chance by the club.

And, after a disappointing season, West Adelaide could surely do with a measure of success again.

AUSTRALIAN SOCCER FEDERATION

Telephone: 29 7025/6, Secretary: B. Le Fevre

Sir Arthur George, President of the Australian Soccer Federation, attended the Meeting of the World Cup Organising Committee held in September 1979 in Zurich and was successful in negotiating a reasonable and equitable Draw for Australia in the Asia/Oceania grouping.

Asia/Oceania has been divided into four groups, and four Tournaments will be conducted by the participating nations at venues and on dates to be decided by the respective countries.

The four winning nations will probably play each other on a home and away basis in a series of matches which must be completed by 30th November, 1981. The two top teams resulting from these home and away matches will proceed to the Finals of the World Cup to be played in Spain in 1982.

Australia will be a strong contender to host the Group 1 Tournament, and if successful the matches will probably take place in May, 1981. The groups are:—

Group 1	Group 2	Group 3	Group 4
Australia	Kuwait	Iraq	Hong Kong
New Zealand	Iran	Syria	Macao
Fiji	Thailand	Bahrain	Peoples Republic of China
Indonesia	Malaysia	Qatar	North Korea
China Taipei	South Korea	Saudi Arabia	Japan
			Singapore

The FIFA Executive Committee admitted the Peoples Republic of China as a member of FIFA and able to participate in the World Cup Qualifying Matches. The Republic of China Football Association has agreed to change its name and will be known as China Taipei.

China authorities agreed to contact all members of FIFA indicating that they would have no objection to full international matches, including World Cup matches being played against China Taipei. This may ultimately lead to a lifting of restrictions by the Australian Government of teams playing in Australia who purport to represent China. The new name, and the attitude of the Peoples Republic of China, should solve this problem.

OTHER WORLD CUP QUALIFYING GROUPS:

EUROPE: Group One — West Germany, Austria, Bulgaria, Finland, Albania. Group two — Netherlands, France, Belgium, Republic of Ireland, Cyprus. Group three — Czechoslovakia, Soviet Union, Wales, Turkey, Iceland. Group four — England, Hungary, Switzerland, Rumania, Norway. Group five — Italy, Yugoslavia, Greece, Denmark, Luxembourg. Group six — Scotland, Sweden, Portugal, Northern Ireland. Group seven — Poland, East Germany, Malta.

SOUTH AMERICA: Group one — Brazil, Bolivia, Venezuela. Group two — Colombia, Peru, Uruguay. Group three — Chile, Ecuador, Paraguay.

Argentina as the World Cup holder qualifies automatically.
